

Custom Cup Holder for MGB and MGC

For 1972 - 1980 Model Years.

Enhance your MGB with this truly custom Cup Holder!

This is NOT your usual generic cup holder! This is custom molded to fit the trapezoidal-shaped area just in front of the shifter, and looks like original equipment. Made from black, textured ABS just like the console it sits on, it fits two beverages--from small cups and cans to medium sized bottles and mugs.

No fasteners are necessary. Simply set in place, and it is trapped in position. Removal is just as simple.

And be sure to buy the British Logo Premium Beverage Insulator, too! These high quality can/bottle holders *perfectly* fit the right receptacle of this cup holder. You will love these two products together.
